Gold Fringe Flag Record/Information Dissemination Section  
May 22 2018

Date:

Representative Rick Lewis

Description of Request and explanation :

1-Please provide the definitions, descriptions and proportions of what constitutes an Official Title 4 U.S.C. 1&2 American Flag of Peace of the United States of America. Please help me to understand the meaning so I can educate children

2-The Flag being flown in City ,County's Schools ,State and Federal Courthouses is supposed to have a Yellow Fringe rendering it as a Military Court pursuant to 4 U.S.C. Chapter 1 subsections 1,2,3; Executive Order 10834 but instead have Gold Fringe on them which is in conflict with Title 4 U.S.C. 3 which states Gold Fringe is a Mutilation and carries a one year prison term as it suspends the Federal Constitution. Please help me to understand the meaning so I can educate children

3-As a Contract is an agreement between 2 or more party's, in a Color of law Military Court, it would seem that you must present the correct Flag to represent your status in that court as provided by 36 U.S.C. 176 (g) and Army Regulation 840.10, chapter 2-7 Please help me to understand the meaning so I can educate children

possible certified ,

Sincerely  
Thank you for your consideration,  
Edward Malone Johnston
