Rhonda called the meeting called to order at 8:20 p.m, following the general WKNA meeting.

Rhonda reviewed the 2013 goals and noted that the top 5 have been completed. She will be presenting WKNA's annual report on activities and accomplishments to City Council soon.

She sought input on meeting topics for upcoming meetings. It was agreed to check with Councilor Cathy Clark about a program on transportation issues. The program could include a panel, if necessary, to talk about the third bridge across the Willamette and Amtrak's plans for high-speed rail.

Rhonda queried new Board member Clint Holland about whether continuing to hold Board meetings on the first Thursday of the month would work for him. He said it would and Rhonda noted that the next board meeting would be at 6 p.m. Feb. 6 at her home.

The group agreed to plan a program on emergency preparedness for February, including representatives of CERT and possibly EVK (Emergency Volunteers of Keizer). Gary said he would contact his neighbor, who is a ham operator and personal preparedness enthusiast, about participating in the program as well.

It was agreed to work with Councilor Clark on a transportation program for the general meeting in March. Carol agreed to make contacts with the Keizer Community Gardens and Keizer Community Food Bank about doing a presentation for the April meeting.

Meeting adjourned at 8:50 p.m.
