WINTER WEATHER POLICY

CLOSURE DECISIONS

During adverse weather conditions (winter or otherwise), Flipstar Gymnastics Center will follow the closing decisions of Ludington Public Schools. If weather deteriorates during the daytime on a regular school day, we will make an independent decision to the best of our ability using the current weather conditions and the most up-to-date forecasts available to us at the time.

Decisions to close/cancel classes will be made by 2pm at the latest, and will be announced on our phone message (call us to check) and also posted on our Facebook page. We will attempt to post closure signage on the outside gym doors, but that is also weather- and road-dependent.

We are keenly aware that many families drive 20, 30, even 40+ miles to bring their children to classes; we take those long drives into consideration on every closure decision. SAFETY IS ALWAYS OUR VERY TOP PRIORITY.

***CLASSES ARE NOT CANCELLED FOR SCHEDULED SCHOOL DAYS OFF,
ONLY FOR WEATHER-RELATED CANCELATIONS.***

CLASS MAKE-UP POLICY

We regret we are unable to offer make-up classes for weather related closings. These closings are considered "beyond our control" and not subject to be made-up due to the sheer quantity of children missing class. Enrolling in winter classes assumes the risk of possibility of multiple snow days. If there are two or more snow days on your night of class, Flipstar will try to offer something in exchange, such as a free Open Gym pass.

If weather is adverse and you are wondering if the gym is open for classes, please call us at (231) 845-1385 and listen carefully to the voice message for any cancel/closing information.

We greatly appreciate your business and want you all to remain safe and healthy during the unpredictable winter months here in beautiful Ludington. ~Amy R. & Aimee G., Flipstar Owners
