FAQ

HOW LONG DO WE HAVE USE OF THE CLUB & HALL?

Normally 2 hours is enough time, but in saying that we don't give you a time limit as we believe you should take all the time you need catching up with family and friends on this day. If we have another booking scheduled later that day you will be notified when confirming the booking.

I REALLY DON'T KNOW THE EXACT NUMBERS ON PEOPLE ATTENDING THE WAKE?

As everything is made fresh on the day we need a number to cater for. If less people turn up you are more than welcome to take any left overs. If more people turn up, understand there will be less food to go around, although the club has an endless supply of tea & coffee.

WHEN DO YOU NEED FINAL NUMBERS?

48 hours before.

WHEN DO WE PAY?

Payment is strictly due on the day by cash, cheque or credit. EFT can be arranged.

CAN WE BRING FLOWERS AND PHOTOS?

You are more than welcome to bring back any flowers and or photos. We would just ask to notify us when making the booking so we can have a dressed table set for them.

To the Hollywood Bowls Club,
I just want to send you my appreciation and gratitude for the help you did for my father's funeral. Very professional, quality food and welcoming friendly staff. You are well recommended.
