

# Summer “Sip & Learn” Professional Development

Cork & Tap, 305 Washington St, Oregon, IL

\$50 each session    3:30-8:00 pm    4 PD hours each    Light Supper Provided

**A Sip & Learn Experience...** Don't miss this chance to learn with your colleagues in a relaxed environment. Invite your team and come experience hands-on learning.

## **Wednesday, July 17      Games in the Classroom**

Learn to adapt popular games to help students interact with your content and curriculum. Come prepared to play.....no spectators allowed! All games can be adapted to any grade level. Join Deb Endress for a night of Code Names, Discovery Tag, Reverse Charades, and more.

## **Thursday, July 18      More Games in the Classroom**

Join us for a second night of games featuring cards and dice with a focus on Mathematical Standards of Practice. Fun for all ages!

## **Wednesday, July 24      Breakout!**

You'll have to think critically and problem-solve to “break out” with your colleagues. Experience several breakout kits and walk away with resources to build your own.
