

Central Illinois Orchid Society Membership Form

The Central Illinois Orchid Society (CIOS) was founded in 1958 in order to:

1. Exchange orchid-related information among orchid hobbyists;
2. Provide a forum for disseminating orchid-growing information through educational programs offered to its members and the public;
3. Support local and global orchid conservation efforts;
4. Enjoy the fellowship of others who share a fascination with orchids.

The membership is open to anyone who is interested in orchids and/or their cultivation. CIOS holds meetings or special events on a monthly basis, except for August and December. Regular meetings are held on the 2nd Monday of each month from 6:30 pm to 8:30 pm. Detailed information about meeting locations and events is posted on the CIOS website noted below. If any questions, please contact us via the website.
