HIGHLIGHT OF QUALIFICATIONS

Vocational Rehabilitation Counselor with a focus in counseling and consulting services for individuals with disabilities in a variety of employment settings, including: private, academic and government sectors. Experienced in educational and career counseling, labor market analysis, wage earning capacity, vocational plan development, job and classroom accommodations, and vocational evaluation including the administration and interpretation of various vocational assessments.

PROFESSIONAL EXPERIENCE

12/2016 – Present

Vocational Rehabilitation Consultant

HALL MORTIMER ASSOCIATES – San Diego, CA

Provide counseling, assessment, diminished earning capacity, assistive technology, and accommodation evaluations and consulting services to clients in various employment, disability, and legal systems, including Worker's Compensation, personal injury, employment law, marital law, and long-term disability. Conduct research using transferrable skills analysis tools, local and national data, and individualized survey methods. Experience with the administration and analysis of aptitude, achievement, interest, and work sample assessments. Skilled in vocational rehabilitation report writing.

09/2018 – Present

Vocational Rehabilitation Counselor

THE CONSOLIDATED REHAB GROUP, INC. – San Diego, CA

Provide contracted vocational counseling services for the Department of Veteran's Affairs (VA). Services include initial interview, consultation with VA Counselor to determine entitlement for Chapter 31 services, assist entitled veterans with goal setting, education planning, and vocational preparation. Deliver a comprehensive report outlining veteran entitlement or non-entitlement for Chapter 31 services.

08/2017 – 08/2019

Disability Support Programs and Services (DSPS) Adjunct Counselor

SAN DIEGO COMMUNITY COLLEGE DISTRICT – San Diego, CA

Responsible for the provision of counseling and support services to students with disabilities. Provide academic, career, personal and disability management counseling to students with disabilities to include intake interview, assessment, orientation, advisement, registration assistance, disability verification, and maintenance of confidential student files. Facilitate the provision of support services and authorized academic accommodations.

07/2013 – 12/2018

Administrator, Fiscal and Operations Support

SAN DIEGO STATE UNIVERSITY RESEARCH FOUNDATION – San Diego, CA

Assist in the fiscal management of an 11-million dollar annual portfolio of research and service delivery programs. Coordinate a 10-month rehabilitation leadership program aimed at enriching the knowledge and skills of vocational rehabilitation leaders nationwide. Conduct focus groups and individual interviews targeting state vocational rehabilitation staff, community rehabilitation providers and vocational rehabilitation clients. Collect and analyze qualitative and quantitative data and contribute to reporting used by state agencies in strategic planning.

08/2015 – 12/2016

Rehabilitation Consultant Technician

HALL ASSOCIATES – San Diego, CA

Work with senior rehabilitation consultants to apply graduate education to vocational assessment including record review, literature review, transfer of skills analysis, and labor market and wage surveys.

LEADERSHIP EXPERIENCE

01/2017 – 06/2019

Research Assistant Supervisor

SAN DIEGO STATE UNIVERSITY RESEARCH FOUNDATION – San Diego, CA

Supervise a team of research assistants working throughout California on a research project focused on transitioning youth with disabilities off of supplemental security income and into postsecondary education and employment.
