Wishing You a Wonderful Holiday Season

And a Blessed New Year!

Dear Friends and Supporters,

What an incredible year this has been! I feel like I have been from one end of the globe to the other and literally I have. Though there have been many miles, what thrills me is certainly not the travel but the people I have met:

- The Iranians receiving a Fire Bible in their own language
- The African Royal Ranger leaders who are winning young boys and girls to Jesus and discipling them
- The Global Teen Challenge staff who are walking the journey of freedom from addiction in Portugal
- The outreach work at Vienna Christian Center, touching the lives of hundreds of refugees
- The church planters in Indonesia who now have a greater understanding of best practice in compassion
- The faithful pastors in El Salvador who are laboring in remote villages
- The Chi Alpha student leaders who are seeing many come to faith on campuses in Mozambique

Jesus is at work all over the world and I am privileged to be a small part of what He is doing!

I am so very grateful for you. Your prayers and support continue to amaze me. I hope that there will be moments of absolute joy for you as you realize all that He has done for you.

Wishing you a Merry Christmas and a wonderful year ahead.

JoAnn
