

VOYAGE BOËT

Discover the real France • Découvrir la vraie France

Discover the splendor of *Paris & Provence* with Philippe & Lisa Boët

Join us for a culinary-wine exploration beginning with two days in Paris followed by a week-long adventure on board Le Phenicien, a luxury hotel barge, cruising the Rhone and its delta, La Camargue, in sunny Provence.

After a gourmet taste of Paris, where we stay in the four-star Hotel Odeon St. Germain, we travel to Aix-en-Provence before transferring to our private barge to begin our Provence adventure. Visits and excursions include: the walled city of Aigues Mortes, a Manade ranch in Camargue with French cowboys, wineries in Châteauneuf-du-Pape and Tavel, an olive oil mill in Baux de Provence, the St. Rémy de Provence market, and the antique cities of Arles and Avignon. We'll delve into regional cuisine with two hands-on cooking classes with French chefs in La Mirande and in a traditional Mas Provençal.
