LET READING TAKE YOU TO NEW HEIGHTS

What a year this has been! Full of uncertainty, toilet paper hoarding, natural disasters, the great 2020 debate of face mask or no face mask, and that doesn't even scratch the surface.

2020 has been a handful, but our patrons have made it another great year. We might have been closed for 3 months, but we never stopped having fun, so why stop now?! This holiday season we have some great events in store for adults and for kids.

Holiday Closure Dates:

November 10th | November 26th - 27th | December 24th - 25th | December 31st - January 1st

November 30th @ 6pm

Paint Night for Adults | \$20 each | Pay upon arrival | Register online

Join us for a night of fun. Have you ever wanted to paint a winter wonderland scene? Now is your chance! Becky will give us step-by-step instructions on how to make our very own masterpiece.

December 17th 6p-7:30p

Gingerbread House Decorating Party | \$5/house

This event brings out the kid in all of us. Sign-up for a fun night of gingerbread house decorating. It's sure to bring everyone some Christmas joy! Register online or at the library for a fun Gingerbread house party.

December 21st - March 20th

Winter Reading Program

Let's see how far the reading chain can grow this year. Grab those books and cozy up with a good book. The more you read the more prize entries you earn.

Christmas in Mulliken will be a little different this year! We are asking vendors to bring in a small display to the library with items for sale. Community members can come in and browse our vendor booths throughout the month of December. When a sale is made, the library will collect the money and contact the seller right away, collecting 100% of their proceeds.

We want to encourage small business sales for the holiday season. It is not easy being a small independent business, and this is one way we can help ease the holiday burden. Shop local, buy local! Contact us for more information.

Calling All Artists and Non-Artists!

Every year we collect artwork from all age groups for our annual calendar. We will feature your artwork on next year's library calendar. Give us your submissions by November 30th.

If you are interested in purchasing a calendar, please notify the library by December 13th. Cost will be determined based on how many are interested.

Attention Parents!

On November 11th at 5:30pm, Community Mental Health for Clinton, Eaton, and Ingham County is hosting a virtual zoom meeting on "Surviving Screen Time" with Jennifer Cronkite, MA LPC Youth Outreach & Prevention Services. This meeting focuses on screen time for you child and how it impacts them. For more information visit www.ceichmh.org, or call (517)346-8202, or email cronkite@ceicmh.org.
