

Dear Fair Attendees:

With the Dakota Thurston County Fair quickly approaching, the Fair Board would like to reinforce its commitment to keeping all 4H/FFA youth, our volunteers, staff and all spectators and attendees safe. We will be working hard to help stop the spread of COVID-19. We ask that everyone do the same.

Please familiarize yourself with the current State of Nebraska and CDC guidelines regarding COVID-19. Here are a few key points to remember:

1. People at risk for severe illness stay home.
2. If you are feeling ill, have a fever or have had a fever, stay home.
3. Remember to cover your cough and sneeze and wash your hands with soap and water for at least 20 seconds. Or use hand sanitizer or wipes when soap and water are not available.
4. Avoid touching your eyes, nose and mouth.
5. Use social distancing. Please be respectful and maintain at least 6' of social distancing at all times.
7. Wear a mask or face covering if you are unable to stay socially distanced.

We will continue to work closely with public health officials from both Dakota and Thurston counties to provide a safe, fun and family oriented environment as we have for over 50 years. Although this year may look a little different, we still have all in person 4H Livestock shows, static exhibits and several events taking place in our outside venues.

Scheduled events are subject to change. Please check out our Facebook page Dakota/Thurston County Fair or our website [www.dakotathurstonfaironline.com](http://www.dakotathurstonfaironline.com) for the latest updates to our schedule.

Thank you for your support. Let's work together to stop the spread of COVID-19 in our community and make the Dakota Thurston County Fair great in 2020!

Sincerely,  
Dakota Thurston County Fair Board
