THIS CHARTER SCHOOL CONTRACT (the "Charter") entered into this 28th Day of February, 2006, by and between THE SCHOOL BOARD OF PINELLAS COUNTY, FLORIDA, a body corporate operating and existing under the laws of the State of Florida (hereinafter referred to as the "Sponsor"), and PINELLAS PREPARATORY ACADEMY, a Florida not-for-profit corporation, doing business as (hereinafter referred to as the "School").

WHEREAS, the Sponsor has the authority pursuant to s. 1002.33, Florida Statutes (2004) to grant to a non-profit organization a charter to operate a charter school with the school district; and

WHEREAS, the School is a not-for-profit corporation and desires to operate a charter school within the Sponsor's school district for the purposes set forth in the School's charter school application of December 12, 2000, approved by the Sponsor on July 31, 2001, a copy of which is incorporated herein by reference as Appendix I; and

WHEREAS, the parties intend that this Charter serve as the agreement for the operation of the School.

NOW, THEREFORE, in consideration of the mutual covenants and terms herein set forth, the parties agree as follows:

ARTICLE 1.0 GENERAL PROVISIONS

- 1.1 **Recitals:** The foregoing recitals are true and correct and are incorporated herein by reference.
- 1.2 **Application:** The School's approved application to operate charter is appended hereto as Appendix I and incorporated herein by reference. If any provision of this Charter or of Appendix II is inconsistent with Appendix I, the provision of this Charter or of Appendix II shall prevail.
- 1.3 **Effective Date and Renewals:** The effective date of this Charter and renewals shall be as set forth below.
 - 1.3.1 **Effective Date/Term:** This Charter shall become effective upon the signing by both parties, and shall end on June 30, 2011, except as otherwise provided in this Charter.
 - 1.3.2 **Start-Up-Date:** The initial start-up date of the School shall be commensurate with the Sponsor's start of school for the 2006-07 year.
 - 1.3.3 **Timetable:** The start-up timetable for implementation of this Charter is no longer applicable.

In order to operate its Charter School for the 2006-07 school year, the School shall have facilities ("Authorized Facilities") to comply with requirements of s.1002.33 (18), Florida Statutes.

- 1.3.4 **Renewal:** After the initial term of this Charter pursuant to 1.3.1, this Charter may be renewed every five (5) school years or longer by mutual written agreement of the parties, pursuant to Florida law.

- 1.4 **Modifications:** This Charter may be modified during its term by mutual agreement of the parties, provided such modifications are agreed to in writing and executed by both parties.
- 1.5 **Non-Renewal:** At the end of the term of the Charter, in accordance with procedures relating to non-renewal found in sections 1.6 et seq. below, the Sponsor may choose not to renew the School's Charter for any of the reasons set forth in s.1002.33(8), Florida Statutes (2004), which reasons are, as of the date of this Charter, as follows:

The Sponsor may assume the operation of the School under these circumstances for a period of time as determined solely and exclusively by the Sponsor.
- 1.7.2 **Notice from Sponsor; Appeal:** Except when terminated immediately pursuant to paragraph 1.7.1 above, the Sponsor shall provide written notification to the School of a proposed non-renewal or termination of this Charter at least 90 days prior to the proposed action. The notice shall state in reasonable detail the grounds for the proposed action and provide that the School's governing body may, within 14 calendar days of receiving the notice, request an informal hearing before the Sponsor. The parties agree that no member of the Board of Directors shall have personal liability for any of the School's debts unless specifically provided by law.

- 1.8 **Statutory Requirements:** The School will comply with s. 1002.33, Florida Statutes (2005), as it may be amended, and any regulations adopted by the State Board of Education or other state agency, pertaining to charter schools, and all applicable federal, state and local laws pertaining to civil rights and student health, safety and welfare.

- 2.2 **Racial/Ethnic Balance:** Subject to the restrictions set forth in Appendix II, the School agrees that it shall develop and implement strategies to achieve a racial, ethnic balance reflective of the community it serves and shall be in compliance with all applicable provisions of Court Orders and Stipulations in the case of *Bradley, et al. v. School Board of Pinellas County, Florida, et al.*
- 2.2.1 **Racial Ratio Limitations:** The School will admit black and non-black applicants as required by Florida law subject to the limitation that the School's total enrollment must be within the racial ratio limitations established in Appendix II for public schools at similar grade levels (and, during the period of controlled choice, within the same choice area). [Amended Stipulation, June 28, 2000, II.2.(b)(iii)].
- 2.2.2 **Diversity Choice Goal:**
- (a) The optimum diversity percentage is the percentage of black students in the Sponsor's attendance area in which the School is located.
 - (b) The diversity choice goal is that the School should strive to have a black student population that is at least 80 percent and no more than 120 percent of the optimum diversity percentage of the high school attendance area in which the School is located. [Sponsor's Choice Plan, October 24, 2000, as amended October 22, 2002, Section XII, page 22]
- 2.3 **Non-Discrimination:** The School agrees that it will not discriminate against students with disabilities who are served in the Exceptional Student Education (ESE) programs and students were served in English for Speakers of Other Languages (ESOL) programs; and that shall not violate the anti-discrimination provisions of s.1000.05, Florida Statutes (2005), the Florida Educational Equity Act.
- 2.4 **Non-Sectarian:** The School's admissions policies shall be non-sectarian.
- 2.5 **Students with Disabilities:** Students with disabilities who are enrolled in the School shall be provided programs implemented in accordance with federal and state laws and local policies and procedures. - 2.5.1 **Non-Discrimination:** The School shall adopt and implement a nondiscriminatory policy regarding placement, assessment, identification and selection of students.
- 2.5.2 **Free Appropriate Public Education (FAPE):** The School shall provide a FAPE to each exceptional student enrolled in the School.
- 2.5.3 **Individual Education Plans (IEPs):** The School will utilize all of the Sponsor's forms and procedures related to pre-referral activities, referral, evaluation and re-evaluation for ESE eligibility, IEP developments, and placement. The School and the Sponsor will schedule

and conduct an IEP meeting with the students' families at mutually agreeable times for each eligible exceptional student enrolled in the School.

- 2.5.4 **Local Education Agency (LEA):** the Sponsor will serve as the LEA at all eligibility staffings and IEP meetings for all students.
 - 2.5.5 **Least Restrictive Environment:** Students with disabilities enrolled in the School will be educated in the least restrictive environment appropriate to their needs, and will be segregated only if the nature and severity of the disability is such the education in regular classes with the use of supplementary aides and services cannot be achieved satisfactorily. Students whose needs cannot be adequately addressed at the School will be appropriately referred by the School to the Sponsor for placement assessment, and the School's staff work together with the Sponsor's personnel to insure that the needs of the students are met.
 - 2.5.6 **Cooperation:** School staff will work closely with the Sponsor's staff to discuss the needed services (including all related services and programs) of the School's students with disabilities. The Sponsor will provide legal representation to the School in any legal or quasi-legal activity regarding the educational program or placement afforded ESE students attending or admitted to the School, such as mediation, due process hearings, appeal, other court action, or a formal complaint. The School will reimburse the Sponsor for reasonable associated legal costs, including but not limited to, reasonable attorney's fees and expert witness fees. The Sponsor may waive such reimbursement if it deems such action to be appropriate.
 - 2.5.7 **Procedural Safeguards:** Parents of students with disabilities shall be afforded notice of procedural safeguards in the native language, as provided by the Florida Department of Education.
 - 2.5.8 **ESOL/ESE Students:** Students enrolled at the School who are limited proficiency in English will be served by ESOL-certified personnel and who will follow the Sponsor's District Plan for limited English Proficient Students. The School will meet the requirements of the Consent Decree entered in *Lulac, et al. v. State Board of Education* and subsequent amendments thereto.
 - 2.5.9 **Federal and State Reports:** Unless otherwise exempted by Florida Statutes, the School will complete federal and state reports in accordance with the time lines and specifications of the Sponsor and the Florida Department of Education. Failure to comply with this provision shall be considered good cause for termination or non-renewal of this Charter.
- 2.6 **Enrollment Process:** Subject to the limitations of Appendix II, the School agrees to enroll eligible students by accepting timely applications, unless the number of applications exceeds the capacity of a grade level or other facility utilized. In such case, all applicants will have an equal chance of being admitted through a random selection process. The School may request and the Sponsor shall conduct such random selection processes using the same database, methods and procedures it uses to conduct random selection processes for non-charter schools.
- 2.6.1 **Preference for Siblings and Children of Employees and Board Members:** Preference may be given to siblings of students enrolled in the School, children of employees of the School, and children of board members of the School.

2.6.2 **Procedure:** Each year, after it has made preliminary admissions decisions in accordance with the provisions of Florida law, the School will:

- (a) transmit to the Sponsor (prior to any notification to applicants and in accordance with a time schedule to be established by the Sponsor) rank-ordered lists of black and non-black applicants to the School whom the School wishes to accept for admission, so that the Sponsor may determine whether admission of any one or more of such applicants would be inconsistent with the limitation provided in paragraph 2.2.1 above; and
- (b) thereafter make its final admission decisions and notify applicants of those decisions, in a manner consistent with the determination by the Sponsor described in subparagraph (a) above, thus admitting only applicants whose acceptance the Sponsor has determined will not result in a violation of the limitation provided in Paragraph 2.2.1 above. [Amended Stipulation, June 28, 2000, II.2.(b)(v)].

2.6.3 **Limitation on Enrollment:** Notwithstanding any other provision of this Charter, student enrollment at the School will be limited to a specified number of students calculated as follows:

- (a) Determine the total number of student stations¹ within the relevant choice area for that level of school (not including the number for the School);
- (b) Determine the expected student enrollment at that level of school within the relevant choice area;
- (c) Multiply the number determined in (b) above by 125 percent;
- (d) Subtract the number determined in (a) above from the number determined by (c) above;
- (e) Multiply the difference determined in (d) above (use 0 if it is a negative number) by the Sponsor's utilization factor for that level of school².

The product determined in (e) above will be the maximum student enrollment for the School until after controlled choice unless the charter application is for fewer students, in which event the maximum will be the number of students requested in the approved application. [Amended Stipulation, June 28, 2000, II.2.(b)(vi)]

2.6.4 **Access to Students for Recruiting:** The School shall have the same access to students as the Sponsor's magnet and academy programs.

² The Sponsor's utilization factor is 1.0 for elementary schools, .85 for middle schools and .90 for high schools.

disruptive student behavior. The School will comply with Florida State law and the Sponsor's *Code of Student Conduct*.

- 2.9 **Number of Students and Grades Served:** Subject to the restrictions set forth in Appendix II, the School shall serve students in grades 4-8. The School will have a maximum total enrollment of 375.
- 2.10 **Records:** The School shall maintain all records on enrolled students and shall provide parents with copies of such records as requested and as required by law. The Sponsor has a right, with reasonable notice, to review any documentation maintained by the School.

ARTICLE 3.0 ACADEMIC ACCOUNTABILITY

- 3.1 **Educational Program Goals:** The School agrees to implement educational and related programs as specified in Appendices I and IV. Reading will be a primary focus of the School's curriculum, and the reading curriculum will be based on scientific reading research that is consistent with the Sunshine State Standards. The School will provide adequate resources to identify and address the needs of students who are reading below grade level.
- 3.1.1 **School Calendar:** The School will adopt a calendar to provide instruction for at least the number days required by law for public schools.
- 3.1.2 **Class Size:** The School is subject to the limitations on maximum class size set forth in Article IX, section 1 of the Florida Constitution and section 1003.33, Florida Statutes (2004), and will implement all appropriate measures to comply with that law.
- 3.2 **Outcome Measurement:** The Sponsor will provide student academic performance data to the School for each of its students coming from the Sponsor's school system. The Sponsor and the School will annually agree to the following by October 15: the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used. The criteria shall include a detailed description for each of the following:
- How the baseline student academic achievement levels and prior rates of academic progress will be established;
 - How these baseline rates will be compared to rates of academic progress achieved by these same students while attending the School; and
 - To the extent possible, how these rates of progress will be evaluated and compared with rates of progress of other closely comparable student populations.
- 3.3 **Student Assessment:** Accountability criteria shall be based upon the School's assessment system and appropriate required statewide assessments.
- 3.3.1 **Assessment Programs:** Students in the School will participate in an assessment program that mirrors the countywide assessment of the Sponsor's public-school students enrolled in comparable grades/schools, including assessments required of the public schools by the Florida Department of Education. To facilitate participation, the Sponsor will provide consultation by its applicable district staff and those services/support activities that are routinely provided by the Sponsor's staff regarding implementation of district and state required assessment activities (e.g. staff training, dissemination and collection

of materials, scoring, analysis, and summary reporting). The School shall be responsible for giving the test to its students and adhering to procedures published for each test. The School agrees that its students will be assessed within the time frame for the other public schools in the Sponsor's district, if appropriate.

- 3.3.2 **Sponsor Access to Data:** The School agrees to allow the Sponsor reasonable access to review data sources, including collection and reporting procedures, in order to assist the Sponsor in making a valid determination about the degree to which student performance requirements have been met.
- 3.4 **Records and Grading Procedures:** Due to the possibility that students enrolled in the School may transfer to other public schools within Sponsor's school system, the School shall utilize the records and grading procedures that can be transferred to the Sponsor's current records and grading procedures. The Sponsor shall provide a copy of these procedures by July 1 of the year that the School opens.
- 3.4.1 **Maintain Records:** The School shall maintain both active and archival records for current/former students in accordance with Florida Statutes.
- 3.4.2 **Category A:** All permanent (Category A) records of students leaving the School whether by graduation transfer to the public school system or withdrawal to attend another school shall be promptly transferred and delivered by the School to Central Records at 400 Chestnut Street, Oldsmar, FL 34677.
- 3.4.3 **Category B:** Records of student progress (Category B) shall be promptly transferred and delivered by the School to the appropriate school if a student withdraws to attend another public school within the Sponsor's school system or to another school system. The School may retain copies of the departing student's academic records created attendance at the School during the student's attendance at the School.
- 3.4.4 **Report:** An annual report from the School shall be transmitted and delivered by the School to the Sponsor, listing all students enrolled during the school year and the disposition of each student's permanent records (i.e., stored on site, transmitted to the Sponsor or other disposition, if appropriate). This report for the immediately preceding school year shall be transmitted and delivered each year prior to July 1st.
- 3.5 **Progress Monitoring:** Florida Law requires the Sponsor to monitor and review the progress of the School towards the goals established for the School.
- 3.5.1 **Annual Progress Reports:** The School shall make annual progress reports to the Sponsor that, upon verification, shall be forwarded to the Commissioner of Education, at the same time as other annual school accountability reports are submitted. The School's annual progress report shall be submitted to the Sponsor no later than September 15 each year for the immediately preceding school year. The report shall contain at least the following items:
- The School's progress toward achieving the annual goals defined yearly by the Board of Directors;
 - The information required in the annual public school accountability report pursuant to Florida Law;

- Financial records of the School shall be submitted in accordance with the requirements specified in Article 4.0 below;
- Salary and benefit levels of the School's employees; and
- Other elements required by law or desired by the School.

ARTICLE 4.0 FINANCIAL ACCOUNTABILITY

4.1 **Revenue:** The Sponsor agrees to fund the School for the students enrolled as if they are in a basic program or special program and non-charter school in the Sponsor's district. The basis for the funding shall be the sum of the Sponsor's operating funds from the Florida Education Finance Program (FEFP) as provided in s. 1011.62, Florida Statutes (2005), and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the Sponsor's district current operating discretionary millage levy, divided by the total funded weighted full-time equivalent students (WFTE) in the Sponsor's district, multiplied by the WFTE of the School. The parties recognize that extended-year functioning of the School shall not be included in this funding.

4.1.1 **Distribution of Funds:** Sponsor shall ensure that School receives timely distribution of funds. If a warrant for payment is not issued within thirty (30) days after receipt of funding by the Sponsor, the Sponsor shall pay to the School, in addition to the amount of the scheduled disbursement, interest at a rate established in s. 1002.33(18)(d), Florida Statutes (2004), on the unpaid balance from the expiration of the thirty (30) day period until such time as the amount, plus such interest, is paid to the School. If the amount due is disputed by the Sponsor, the Sponsor may escrow the amount of the disputed funds until the dispute is resolved; provided that, interest at the statutory rate shall be added to the amount of any disputed funds that are paid late.

4.1.1.1 **Initial Distribution:** The first distribution of funds to the School shall be on or about July 20, contingent on receipt from the School of a list of enrolled students, to include a student's name, parent/guardian name, address, telephone number and age.

4.1.1.2 **Subsequent Distributions:** The result of a full-time equivalent (FTE) student membership surveys in October and February will be used to adjust the amount of funds distributed monthly to the School.

4.1.1.3 **Distribution from State, Federal or Independent Grants:** Any funds received by the Sponsor with respect to a grant made to or for the benefit of the School shall be paid to the School within thirty (30) calendar days of their receipt or in accordance with grant provisions. To the extent that the grant requires an accounting or reporting, the School shall make such accounting or report to the granting agency or Sponsor as appropriate. The School agrees to provide all necessary and needed information to the Sponsor for the administration of such grants. It is understood that certain grants permit reimbursement of petty cash with receipts, use of district purchase orders, reimbursement of authorized expenses, and prepayment of approved activities. The Sponsor agrees to cooperate with representatives of the School to provide timely and efficient receipt and use of funds from state, federal or independent grants.

- 4.1.2 **Administrative Fee:** The Sponsor shall retain an administrative fee of five (5%) percent of public revenues to be paid to this School by the Sponsor for the Sponsor's administrative costs, including processing the application, academic and financial monitoring required of the Sponsor by law, contract management services, FTE and data reporting, exceptional student education administration, test administration, processing of teachers certificate data and information services.
- 4.2 **Cost Accounting:** The School agrees that it will annually submit to the Sponsor no later than the third Friday of August the information specified in s. 1010.20, Florida Statutes (2004), *Cost Accounting and Reporting for School Districts*.
- 4.3 **Categorical Funding:** If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of state categorical program funds included in the total funds available in the Florida Education Finance Program (FEFP), including transportation. The School shall provide the Sponsor with documentation that categorical funds received by the School are expended for purposes as established by the Florida Legislature. The School shall reimburse the Sponsor for any impermissible expenditure.
- 4.4 **Funding Calculation Revisions:** Total funding for School shall be recalculated during the year to reflect revised calculations under the Florida Education Finance Program (FEFP) by the State and actual weighted full-time equivalent (WFTE) or FTE students (whichever applicable) reported by the School during the FTE survey periods designated by the Commissioner of Education. Additionally, funding for the School shall be adjusted during the year as follows:
- 4.4.1 **Holdback/Pro-ration:** In the event of a state holdback or pro-ration that reduces the Sponsor's district funding, the School's funding will be reduced proportionately.

- 4.5 **Federal Funding:** In any programs or services provided by the Sponsor which are funded by federal funds and for which federal funds follow the eligible student, the Sponsor agrees, upon adequate documentation from the School, to provide the School with equivalent federal funds per eligible student if the same level of service, consistent with the Sponsor's application or plan for use of the funds, is provided by the School, provided that no federal law or regulation prohibits this transfer of funds. The School must meet all applicable federal requirements for use of such funds.
- 4.6 **Funding Adjustment for Noncompliance:** If the Sponsor receives notice of a FTE or other funding adjustment which is attributable to noncompliance by the School, the Sponsor shall deduct such assessed amount from the next available payment otherwise due to the School. If the assessment is charged near the end of or after the term of the Charter, where no further payments are due to the School, The Sponsor shall provide prompt notice to the School and the School shall reimburse the full amount to the Sponsor within thirty (30) days.
- 4.7 **Annual Audit:** The School agrees at its expense to obtain an annual audit in compliance with federal and state requirements. The audit shall be conducted as required by state statute and paid for by the School. The School shall provide the Sponsor with a copy of such audit no later than October 15, along with any responses to the auditor's findings. The Sponsor reserves the right, after completion of the audit, to consult with the auditor, at reasonable times and with reasonable notice, to review his findings and recommendations and, at reasonable times and with

reasonable notice, to perform such reasonable additional audits or reviews as may be reasonably necessary to fulfill its statutory financial monitoring duties, at the Sponsor's expense.

- 4.7.1 **Report of Deficit:** If the School's internal audit reveals a deficit, the auditors shall notify the School's governing board, the Sponsor, and the Department of Education. Such a finding shall first be reported by the auditor during an exit interview within 7 days of the conclusion of the audit to the principal or administrator of the School and the chair of the School's governing board. The auditor shall then, within 14 days of the exit interview, provide a final report to the entire governing board, the Sponsor, and the Department of Education.

If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds or non-public funds, ownership of the asset will revert to the Sponsor.
- 4.9.1 **Sponsor's Security Interest:** The School agrees that in the event any public funds received by the School from or through the Sponsor are used to purchase or improve real property, the School will execute an agreement with the Sponsor providing for the reversion of any unencumbered funds and all equipment and property purchased with public education funds to the ownership of the Sponsor. The School agrees to grant a security interest to the Sponsor in and to any such equipment, real or personal property, and all other recoverable assets and to file a mortgage or a financing statement with the Secretary of State of the State of Florida or the Clerk of Court, evidencing such agreement. The reversion of such equipment, property and furnishings shall focus on recoverable assets, but not on intangible or irrecoverable costs such as rental or leasing fees, normal maintenance and limited renovations. If the School finances the purchase of real property or other assets and the seller requires a first lien as security for such financing, the School may request, and the Sponsor may agree, that the Sponsor's security interest be made subordinate to the seller's first lien.
