AGES 12-16:

**\$100 FEE**

We will be holding this instruction within the model of PGA junior golf programs. Our PGA instructor will stress the basic fundamentals, grip, stance, posture, and ball position. Rules and etiquette are a large part of the instruction as well. Once your child learns these basics, he or she will have the foundation for an excellent golf swing.

These camps may cultivate future opportunities for your child such as scholarships, but at the very least they will expose your child to an interactive social activity where everyone can benefit.

**For Registration please call 301.371.9166 or  
email Head Golf Professional, Gary Chapman at  
GaryHCGC@gmail.com**

Fee for the camp is \$100.00.

Credit Card, Cash or checks will be accepted.
