To my knowledge there is no medical reason why this student should not participate in this program. My child will participate at his/her own risk and I will not hold Twinkle Toes LLC, trading as Twinkle Toes Performing Arts Company, its Director, employees, or agents responsible for any loss, claim, or injury as a result of his/her participation. I have submitted a non-refundable fee via PayPal or bank draft to arrive before the first day of the program. Refunds will be issued for cancellation due to low enrollment only. An emailed signature of this waiver will suffice, as the business is closed due to pandemic and related governor mandates.

I understand that I will need to clear a safe space for the dancer that is unimpeded and properly lit. My child's hair must be pulled back, and safe clothes and shoes will be worn. I understand I will need to supervise my child, properly set up the technological requirements of Zoom, and stand by to observe and help if needed. All students will be brought into a waiting room for the program. Please, change usernames to the student's first and last name, or the emergency contact's, as stated above. This registration form must be emailed to twinkletoesPAC@gmail.com at least 24 hours before the first day of the program without exception. Only dancers with approved names will be allowed into the Zoom session for everyone's safety. All safety measures, including blocked chats, screenshares, and waiting room use, are in place and designed for the safety of the kids. No recording will be allowed by the students. If someone does not identify their username properly, that person will be sent a message in the waiting room to identify themselves, or they will not be admitted to the Zoom session.
