Chris Jones: Curing Cuts

Your Local Labour Team

“I’ve never worked in politics. For 30 years I have been a doctor, and for me defending the NHS and our public services is the natural progression of 30 years working to protect the weak and vulnerable in our society.

Working in mental health means that every day I meet and talk to people from all backgrounds, hearing about their lives at first-hand, and helping them deal with their problems. More than anything this has taught me to understand and empathise with people and what I can see at the moment isn’t right for any of us.”

I’d like to be your MP because I want to make a difference. I will be a local MP who wants to make sure that you can enjoy the best of our great county and country.

If you choose Chris, Labour will:

Give the NHS Time to Care and put patients before profits

Labour will repeal the Health and Social Care Act to stop the creeping privatisation of the NHS

Increase the Minimum Wage to £8 per hour

Labour will do this so people in work don’t have to rely on benefits. We will also end the abuse of zero-hours contracts

Build more affordable homes in the right place

Labour wants to make sure that everyone has a decent home with suitable infrastructure. We will also abolish the bedroom tax

Freeze energy prices and tackle the cost of living crisis

Labour will reform the energy market so that afterwards consumers get a better deal
