

ILLINOIS PHILHARMONIC ORCHESTRA
Stillan Kirov, Music Director

40th Anniversary Season

ADVANCING CLASSICAL MUSIC IN THE SOUTHLAND

THE WORLD BEYOND: WHERE MUSIC AND NATURE MEET

"Out of this world" live orchestral music paired with video footage from NASA space explorations. Concert partners include Dr. Jose Francisco Salgado and his non-profit organization, KV265. Dr. Salgado collaborates with orchestras, composers, and musicians to present films that provoke curiosity and a sense of wonder about the Earth and the Universe.
