Greetings to all members of our Legion Family,

This will be my last Article for the post newsletter. By the time you read this Memorial Day will be over I do want to give a hearty Thank You To all of our employees of the Legion post that do a wonderful job working for us and meeting the public so graciously. I am very proud to have served as Commander of this Post 164. I urge younger members to become active in our Legion post, We need a lot more help with the Honor Guard and with all the other things that we need to have done by our volunteers. There are many small parts but they all make a hole and a team. As I leave I want to thank all for your kindness and respect that has been shown to me. May God bless you.
