"Torn between Two Worlds": an important guide that will help those who devote to God yet are still trapped in the in-betweens and fooled by darkness. "Torn between Two Worlds" is the creation of published author Anthony Martin, a graduate of Liberty University in Lynchburg VA, with a Bachelor of Science in psychology, Christian Counseling and a Master of Arts in Theological Studies. He is an overseer and mentor to the leadership at Grace Christian Ministries in Columbia, Maryland; and a host of Focus Life Perspectives. He is certified in the areas of leadership, personal, and marital life coaching from Light University in Forest, Virginia and a member of the American Association of Christian Counselors. Anthony is passionate about helping others work through their challenges in route to a life filled with freedom and restoration.

Martin shares, "There are many Christians who are feeling the anguish of being torn between two worlds. They have love for God in their hearts and a desire to live out their faith; however, they find themselves yielding to carnal pleasures. Every day they war in the trenches and hurt behind the scenes. This is a real challenge within the church, and many are at a crossroad in their spiritual walk. They are asking themselves, 'Do I continue with the masquerade of church as usual, or do I take a hard look at my compromises?' The objective of Torn between Two Worlds is to help hurting Christians move toward a committed, liberated, and dedicated relationship with God. However, this can only be accomplished if there is a willingness to courageously face their compromises. Every Christian has their share of battles with the flesh, and for those who have been restored, they know firsthand the agony that comes behind negotiating their faith. Therefore, we need Christians who are willing to be open and transparent, in hopes of reaching out to those who are trapped by the serpent's devices. The book engages, encourages, and exhorts its readers to consider the vast difference between the kingdom of God and the carnal world. It stresses the importance of a devotional life with God in order to combat self-centered desires."

Published by Christian Faith Publishing, Anthony Martin's new book is an essential read for those who want to completely gain clarity in their life by fully devoting to Christ and overcoming whatever comes along through His immense power and authority over all things.
