Other Please Specify _____

The Gospel reminds us that our lives and our deeds must serve as examples to others, pointing the way to the Father. Not for our own benefit do we labor, but so that others may see our good works and give glory to our Father in heaven.

The Parish Community of Our Lady of the Angels CENSUS

Thank you for participating in our parish census. The information you provide allow our parish to develop a vision, a mission and goals for our community.

Please complete the form answering all of the questions that apply to your household. This format has been designed to make data entry into the parish computer database more accurate. The form may seem complicated, but it really only requires a few minutes of your time. However, if you should have any problems, please do not hesitate to contact us at the parish house 609-695-6089 x102.

We would also ask that every family or household, those who may have recently registered as well as those who have been parishioners for many years, fill out this form completely. This will insure accuracy and uniformity. Please note that census information about your family or yourself is confidential and will not be shared with outside parties.

Every adult child (post-college age) should be registered on his/her own. It should not be assumed that adult children living at home are automatically registered in our parish.

Current parishioners and former members of Immaculate Conception or St. Joachim must register again to update information. This also allows you to fully participate in parish activities and groups. In addition, parish registration is necessary in order to be considered a Catholic in good standing and is one of the prerequisites for an individual to serve as a sponsor for baptism and confirmation.

When you have completed the census form in its entirety as it applies to you and those in your household, please return it either by dropping the completed form into the Sunday Collection Basket or by placing it into the mail slot at the Parish Office located at 21-23 Bayard Street.

As always, **THANK YOU** for participating in this parish census. It is important for all members of our parish to participate in order to accurately identify who our parishioners are, what needs they might have, and how we can best respond to those needs. Peace!

The Parish Stewardship Committee
