May the One who was a source of blessing for our ancestors, bring blessings of healing upon (recite the English and Hebrew name), a healing of body and a healing of spirit. May those in whose care they are entrusted, be gifted with wisdom and skill, and those who surround them, be gifted with love and trust, openness and support in their care. And may they be healed along with all those who are in need. Blessed are You, Source of healing. Amen.
