ADVENT PROGRAMS

Come! Join us in celebrating our Savior's birth! Here are just a few options for worshipping and glorifying Jesus' name:

Wednesday, December 9, at 7:00 p.m., Pastor Cathie will conduct a Blue Christmas service, focusing on God's hope and comfort.

Sunday, December 13, the Christmas Cantata will be performed during worship. You won't want to miss hearing these Christmas favorites.

Sunday, December 20, during worship, the Sunday School will present a virtual Christmas drama.

Finally, you'll want to join us for the Candlelight Christmas Eve service on Thursday, December 24, at 4:00 p.m. and the Christmas Service on Friday, December 25, at 10:00 a.m.

Look for more regarding these events and other ways to honor Christ's birth elsewhere in this newsletter and upcoming announcements.

2020-2021 SUNDAY SCHOOL CALENDAR

While services are online, there will be no in-person Sunday School. Watch for new opportunities in January.

Parents, don't forget to go to www.cpcwf.org to download Sunday's order of worship and get a copy of the children's bulletin. Children's Time continues to be a part of each Sunday's service. Additionally, children's sermons are posted weekly at CPC's Facebook page.

PONDERINGS FROM PASTOR CATHIE

"To those who received a faith equal to ours through the justice of our God and savior Jesus Christ: May you have more and more grace and peace through the knowledge of God and Jesus our Lord." (2 Peter 1:1b-2 CEB)

The statement at the beginning of 2 Peter struck me as a wonderful way to begin Advent. Read it again: "May you have more and more grace and peace through the knowledge of God and Jesus our Lord." Advent is a time to prepare for the coming of our recognition of the birth of Jesus. Truly this preparation time that God has given us includes grace and peace as we remember and learn more about the Son of God and Son of Man.

This Advent and Christmas season is different from any we have experi-

enced. Everything we do has to be thought through. We need to make sure that we keep people as healthy as we can and not make things worse for those who are vulnerable. We are grateful for the gift of technology and people who know who to use it!

Reality is that it is not looking like we will have traditional in-sanctuary services in December. However, we WILL have worship on the first Sunday of Advent on November 29 with Mitzi singing. We WILL have virtual communion and bells playing Christmas music on December 6. We WILL have an on-line Blue Christmas Service on December 9. We WILL have a group of five singers singing traditional Christmas songs on December 13. We WILL have recorded music performed by our Sunday School children presenting *The Signs of Christmas* on December 20. We WILL have a Christmas Eve Service filled with music on December 24 at 4:00 pm, and we Will have a Christmas Day Service with virtual communion on December 25. The difference from last year for all of these Christmas programs is rather than being in person, you will join others in celebrating the birth of Jesus online.

Yes, the first Sunday of Advent is November 29, 2020! In a way it feels like this year has been longer than usual, and then, Advent is here and then Christmas, followed by January, 2021! But now it is time to allow ourselves to ponder Advent, preparing ourselves for the Messiah. Read the words by Anne Russ, "An Advent Call to Worship."

An Advent Call to Worship

We enter Advent ready to receive Your Word, for this season does not call for speaking or shouting or singing. It is a season of listening. Word of God, speak. Speak to our grief, our loneliness, and our uncertainty. Speak to us of the

hope and peace that are in short supply. Speak to us of the love and faith that will sustain us in the weeks and months to come. We stand ready to hear. Instead of seeking to be heard, Word of God, speak.

Written by Anne Russ

Perhaps this time of Advent and Christmas is really giving us time to be with God rather than all the hustle and bustle of preparing for guests, decorating, and buying gifts. To me, it feels like we have been given a wonderful gift to refocus on what it means to be a Christian.

If you will have more time alone than you usually do, rather than being irritated and sad, consider that it may be a sign that God has opened up space for you to be with God. Let the silence be; listen to the quiet, and just maybe, you will find God talking with you because you are listening.

Grace and Peace this Season,
Pastor Cathie

Christian Education: We met in November and have begun work on the Christmas program. For now, unless things change, we will be doing a virtual program. The families will video the children and email it in. Then, with the help of Amy Grossman-Tomsich we will be putting them together and showing it

where the sermon usually is on December 20th. This way, more children will be able to participate especially if families are uncomfortable in person. - Melanie Hansen

Stewardship: Stewardship has submitted the required documentation to the state of North Dakota for the forgiveness of money remitted to the church for the upgrades to promote less germ prone church facilities. In addition, we are in the process of developing the communication for friends and members of the church that are interested in the financial challenges of the church during the COVID-19 era and future plans to enhance the church's financial well-being. - Mike Misheski

Trustees: The church received an Economic Resiliency Grant through which contractors will install new touchless fixtures in our restrooms and two electrostatic cleaning machines were purchased. A training session will be scheduled on how to properly use these machines to help disinfect our church. With the COVID pandemic, wall repair in the basement SE classroom and fellowship hall have been put on hold. This project will now take place in January. We continue to have church lights left on at various places in our church. Please turn off all lights when you leave the church. - Bob Kozojed

Worship: At our meeting we had a focus on prepping for the Advent season. We checked on the progress of the Advent Devotional and had some discussions on the distribution of the booklet. As a committee we also started working through the details of each of the events/services we have scheduled during the Advent season. - Melissa Engbretson

MISSION FOCUS

The mission focus for Community Presbyterian Church in December is The New Life Center. The New Life Center has been meeting needs and transforming lives through the love of Christ since 1907. They help people who are homeless and hurting go from merely surviving to truly thriving. Their aim is to help them discover value and find hope. Founded as the Glad Tidings Mission, the New Life Center has evolved from an organization that primarily conducted religious services and neighborhood outreach work to a Christian multi-faceted emergency and crisis service center.

This December, the Mission Committee is asking our congregation to donate Christmas gifts for the men at the New Life Center. Suggested gifts are: MAT bus passes, winter coats, white t-shirts, gloves, socks, and underwear. In addition, gift cards from Walmart, Target, Amazon, Sam's Club, or something similar can be donated, so when the men have a need that arises, they can go to the store to pick up supplies. To deliver gifts, one can contact any Missions Committee member (see newsletter cover sheet), or they can be dropped off at CPC during office hours on Mondays, Tuesdays, or Wednesdays.

For more information about the New Life Center or how you can help, go to their website at: <http://www.fargonic.org/>

TAKE A PUZZLE, LEAVE A PUZZLE

The Service and Fellowship Committee is launching a new program to help pass time this winter: Take a Puzzle, Leave a Puzzle.

This new program is just like it sounds. If you have an extra puzzle you have already mastered, you can place it on the bookshelf in the narthex for someone else to take home to put together. It is that simple. We hope that puzzles will be coming and going all winter long.

VIRTUAL ADVENT/ CHRISTMAS SCAVENGER HUNT

Join the Service and Fellowship Committee on Sunday, December 6th, at 7:00 p.m. for a virtual scavenger hunt. This holiday hunt will be an online competition where players race to complete challenges or find items before the time limit ends. We encourage everyone to join us for this fun holiday game and who knows maybe there even be a prize at the end for the winner.

To register, please email Laurie Elhard at laurie_lehard@yahoo.com by noon on December 6th. A Zoom meeting invite will be emailed to you with a link to this fun adventure.

WANT TO BUILD A SNOWMAN?

As the weather begins to get colder, we know snow is not going to be far behind. Over the next couple of months, the Service and Fellowship Committee encourages everyone to get out and build a snowman. You can build it individually or as a group. Once your snowman is complete, take a picture of it. Be creative, it does not have to be your standard snowman. It could be a snow dog or cat, or maybe a whole snow family. Let your imagination run wild.

At the end of January, we will be asking for everyone who built a snowman to submit the photos for the first ever Community Presbyterian Church Snowman Building Contest. Each photo received will be posted on the CPC Facebook page for people to vote on their favorite.

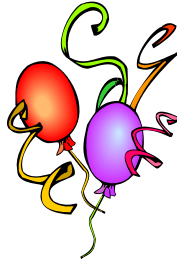

CALLING ALL LITURGISTS

Having another voice read the liturgy enhances everyone's worship experience. Please prayerfully consider assisting in worship as liturgist.

Are you tired of hearing about COVID? Why not take a few minutes and read about our Wicked Women in the Bible? Twice a month an email will be sent out talking about one of these women, and not all were really wicked. God used them for doing good too. Our November studies were on Sapphira and Delilah. If you would like to be added to our email list, let Gayle or myself know (vrpeihl@gmail.com).

Wishing you a very Merry Christmas and hope you stay healthy. Remember the reason for the season!

ANGEL TREE

"Every child has a story. For 2.7 million children in the U.S., that story may be filled with the abandonment, loneliness, and shame that come from having a mom or dad in prison. For many, it may also include following their parents down the same destructive road to incarceration. Angel Tree®, a program of Prison Fellowship, reaches out to the children of prisoners and their families with the love of Christ."

Angel Tree website

CPC is engaging in another year of Angel Tree, a program of Prison Fellowship, which reaches out to the children of inmates and their families. This unique program gives our church an opportunity to share Christ's love by helping to meet the physical, emotional, and spiritual needs of the families of prisoners. CPC will be buying gifts for children on behalf of their imprisoned parents.

Deliveries will be made Saturday, December 12. Watch for upcoming cpcnews@midco.net email announcements for information on how you can help.
