ABOUT US

Java Plus started in 2003 with portable coffee machines in local businesses. Soon, we grew mobile, serving coffee & tea lovers from our coffee truck at outdoor fairs & flea markets throughout Chicagoland. In 2013, our coffee shop doors were first opened in Sugar Grove, IL, inside the library building. In 2016, the coffee shop moved to our current location, Aurora, IL.

By popular demand, our coffee is still being served in local businesses and our coffee truck continues to appear at fairs and flea markets.

*Thank you for all our family, friends,
and customers who have encouraged us
along the way.*
