## 2017 Season Information for High School Teams

**Physicals: Before you come to any activity (spring, summer, or tryouts), you must have a current physical on the school form completed or on file. There are no exceptions.**

### **Tryouts (mandatory)**

High School Tryouts will be May 18<sup>th</sup> (4:30p-6:30p), 19<sup>th</sup> (4:30p-7:30p), and 20<sup>th</sup> (9:00a-12:30p). The only players allowed to tryout after these dates are people that have moved into the area during the summer. These days are mandatory, so please plan accordingly. Please have your physical turned into Coach Edwards before the first day of tryouts. If something is not completed on your physical, you will not be able to tryout. Please have your parent email me so I can compile a list of people that will be at tryouts.

### **Summer workouts / Open gyms / Camps (voluntary)**

The calendar for all summer activities will be available on our website. Summer workouts, open gyms, and camps are not mandatory, since they are in the summer, but are recommended whenever possible. Open gyms start the week of June 5<sup>th</sup> and go until the last week of July. The week of July 4<sup>th</sup> is the Georgia High School Association's mandated dead week, so there are no activities planned.

There will be team camps for rising 9<sup>th</sup>-12<sup>th</sup> graders. These camps are for players that made a team during tryouts in the spring. The dates are 7/10-12<sup>th</sup> and 7/19-20<sup>th</sup>. Coaches from area colleges will be coming to run the camp(s).

### **Season information**

Once summer is over, the season starts (August 1<sup>st</sup>), and everything is mandatory from that point forward. Please make sure you do not have any conflicts; it is important to me (and it should be to you as well) that everyone is at every practice, match, or team activity. If there are conflicts, these need to be communicated to Coach Edwards in advance...before tryouts. Some conflicts might be able to be worked around, and some may not. The season runs until the first week of October for JV and the end of October for Varsity. The season schedule will be posted in April, but you can plan on daily practices or matches throughout the season, with several Saturday matches as well.
