My professional experience included roles at Mobil Oil, United Illuminating and Shaw's Supermarkets (a regional grocery chain in New England).

Prior to my retirement, I was the Chief Financial Officer for Shaw's. All non-retail activities including Human Resources, IT, General Counsel, Real Estate and Development, Business Strategy, Finance and Treasury reported to me. Previously at Shaw's, I served as EVP Finance, Systems and Strategic Planning and as Senior Vice President for Retail Operations. When I retired after 28 years, the company had 204 stores and an annual sales volume of \$4.4 billion.

During my tenure at Shaw's I served as President of the Old Colony YMCA, a multi campus social service and fitness provider in Plymouth County, MA. I also served as Chairman of the Old Colony United Way Annual Campaign for two years and was a board member at South Shore Hospital in Weymouth, MA.

Since my retirement, I have been involved in several not for profit activities. I served as an AARP Tax Aide for five years and I have spent six years on the Finance Committee of Pelican's Nest. I am a member of the Golf Committee at York Golf and Tennis in York, Maine. Over a period of 9 years I served as Secretary, Treasurer, and then President of a social club in Maine.

At Sandpiper Isle, I served on the search team for a new association manager and counsel. For numerous years, I have assisted in the annual holiday decorating activities.

My education includes a BS in Management Engineering from Worcester Polytechnic Institute and an MBA from the University of New Hampshire.
