

# CELEBRATING OUR ROOTS GROWING OUR BRANCHES

## Shoreview Community Foundation celebrates 15 years!

Since being established and through the generosity of Shoreview citizens and businesses, SCF has provided more than 60 grants totaling close to \$225,000 to over 30 organizations.

*SEE WHAT SHOREVIEW CITIZENS CAN ACCOMPLISH WHEN THEY PARTNER TOGETHER!*

## THE FOUNDATION ADOPTS A TRAIL

In addition to grant making, the Foundation has been looking for other ways to contribute to the community of Shoreview. That is why it is so excited to announce it is now part of Shoreview's Adopt A Trail program. It has adopted Hwy 96 from close to Hodgson west to Lexington and then south to Victoria St. Look for more updates throughout the year helping to keep our city beautiful!

## SCF is pleased to have two grant cycles this year

The foundation recognizes that organizations have different planning and fiscal periods, and a winter grant cycle alone may not meet everyone's needs. That is why we are pleased to have offered a winter and fall grant cycle this year. We will be asking organizations for feedback about whether two cycles better meets their needs.
