Dear Reader,

We are excited to announce we have made a few changes to our little library recently. We now have sections of books by age group for your convenience. We are also offering new events almost every month for kids and adults of all ages. We love having you at our library, and hope you are enjoying our changes as much as we are.

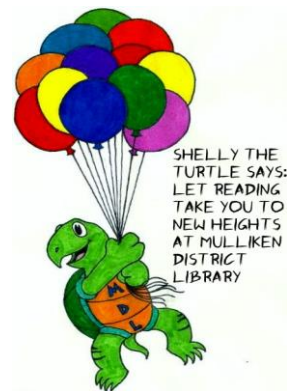

Sincerely,

Your Librarians at the Mulliken District Library

What's New?

In the past we have only had a Summer Reading Program. We now have *March Is Reading Month*, *Winter Reading Program*, *Adult Reading Programs* and other fun events to come. We would love to hear suggestions for events you would like us to offer.

We used to have only a Junior and a Young Adult section that ranged from 11 to 18 years of age. We split up the books into 3 new sections by age group. We have Junior (ages 6-8), Preteen (ages 9-11), Teen (ages 12-14) and the Young Adult section is now ages 15-18. We reorganized so it is easier to find a book that is age appropriate for your child.
