Bible Study on Closed Communion to Begin

- What is closed communion?
- Why do we practice closed communion?
- Is closed communion in the Bible?
- What are the misunderstandings about closed communion?
- How can I help my guests understand closed communion?
- Do we have an obligation to practice closed communion?
- How do other denominations understand closed communion?
- Does closed communion lead us to judge the faith of others?
- Does closed communion hinder the work of the church?

You have questions, we have answers. Starting on Sunday September 10th in Adult Bible Study, we will be tackling these questions. I know many of us have questions about closed communion. Please make use of this opportunity to learn about the Lord's Supper: it's beauty, how we receive it, and how to be good stewards of this precious gift God has given us.

In Christ's Love,
Pastor
