Spectrol 5W20 SN/ILSAC GF-5
Passenger Car Engine Oil

FEATURES/BENEFITS

- Premium quality oils formulated for gasoline engines using highly refined paraffinic base oils and carefully selected additives approved for GF-5, resource conserving.
- Provides superior thermal and oxidation stability, corrosion and valve train-wear protections, and prevents the formation and accumulation of deposit and sludge.
- Exceeds warranty coverage for all vehicles requiring an SN/GF-5 engine oil.

APPLICATIONS

- Spectrol API SN/CF ILSAC GF-5 passenger car engine oil is specifically designed for use in all gasoline engines. Also recommended for: SM, SL, and SJ oils.
- Wherever ILSAC GF-5/SN or previous specifications are called for.

SPECIFICATIONS/APPROVALS

- Spectrol API SN/ILSAC GF-5 meets the latest performance requirement of ILSAC GF-5 and API SN.

TYPICAL PHYSICAL PROPERTIES

SAE 5W-20SN/ILSAC GF-5

Typical Results

Density @ 15.6°C	7.180 lbs/gal
Specific gravity @ 15.6°C	0.8604
Viscosity @ 40°C	118 cSt
Viscosity @ 100°C	58 cSt
Viscosity Index	141
Flash Point (PMCC), °C	226
Pour Point (D97), °C	-30
CCS Viscosity @ -30 °C	100 cP
Color	2.0

ADDITIONAL INFORMATION

Please use proper handling and care that you would use with any motor oil.
