Other ideas to consider:

Do you like movies? Would you participate in an outdoor movie night?

A few notes:

The head of our Community Development Committee (CDC) is Laurie Greco. If you wish to offer your help or have questions, please contact her by text or phone call @ 203-525-3337 or email: lgreco0925@gmail.com.

Josette Whipple is the contact person for the North Lake Dock to Dock Dining. This event has been moved to September from its usual July date, as we see how things go with folks' comfort level at that time, as food is shared. She is available by text: 203-910-5256

We traditionally send out more information as the events get closer. The first boat-tie up, however, is **this Friday evening** in the center of the North Lake. Boaters simply meet in the center; bring your own refreshments and lake friends who are comfortable attending. There is no need to RSVP.
