SEPTEMBER 22 PHLOCKING

Join the Phlock on Sunday, September 22nd from 3 till 6pm at Caddyshack Bar and Grill located at 3122 Golfview Road in Sebring. This event is open to the public, so please feel free to bring your friends.

Monallo is back to entertain us with his unique musical style and story telling. If you have not had the opportunity to hear him be sure to attend this Phlocking. You wont be disappointed!

PAWsitive Effects in Lake Placid needs our help. PAWsitive Effects, Inc. is a non profit organization creating ways to help Animals and the Rescue Groups that are committed to saving them .

Need: Quality dog & cat food (Made in the USA), cat litter, leashes, collars, pet shampoo, flea/tick prevention, beds, blankets, toys, treats, pet crates.

Songwriter, former environmental scientist, amateur beach bum, aspiring boat captain.

Inspired by real-life experiences and the world that surrounds us all, Monallo's warm sound, vivid imagery and organic style produces songs that are both true to the heart and easy to listen to. Some are lighthearted, some are heartfelt, but they each set a relaxing, down-to-earth tone that we can all enjoy.

Listeners describe his live performances as “authentic” and “genuine”, even making cover songs sound like his own.

Monallo recently teamed up with acclaimed musician, songwriter, producer and filmmaker Matt Costa for the recently released album "in the clouds". Costa engineered and produced the record, as well as lent his musical talents to most of the songs. "in the clouds" is available wherever you listen to music.

THE CLOCKS?

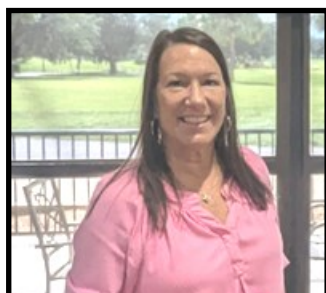

A great suggestion by Leah (student services.)

Some students lack alarm clocks for getting up for the school day. So that's what some of the cash donations went to buy.

Thank you LakeSharks!
