MELE KALIKMAKA MARKETPLACE 2021

COVID DISCLAIMER AND STATEMENT:

The Management of the Blaisdell Center has confirmed the schedule of our event to be on December 11 & 12, 2021. However, we have not signed a contract at the moment. Although all of us are still in a precarious situation, we believe when the fall season comes around, more business and events will be opened. As such we will proceed to plan and organize our show. However, as we all know, things may change, and when they do, you will be informed. The floorplan shown here is a recommendation and is subject to change.

Even if this show goes on, it will not be the same as in years past. There will be protocols and guidelines in place to ensure a safe and enjoyable event. We will work with Blaisdell management to identify those areas including what we can and cannot do as well as the limit of vendors in the show and attendees at any given time during event days. We will let you know of a standardized guideline moving forward.

Deposit: We are having a strong demand by vendors to participate. Because we are limiting the number of vendors, we are requiring a deposit of \$100 with your completed application. Your vendor booth will be on a first come, first paid basis. In the event the show is cancelled by forces beyond our control, we will refund a portion of your deposit of \$75 six weeks prior to the date of the show. From then on, if the show continues, we will collect the remaining balance.

Thank you for your support during these tough times. All of us want to go back to normal as soon as possible and we eagerly await when that day comes.
