It is necessary that you completely fill out this form and sign and date it in order to speak with an attorney. The code of professional practice and ethics requests all attorneys to follow this practice to protect the public. It is our business purpose to render services only when needed and helpful. If your legal problem is outside our area of practice, we will refer you to an attorney in your area of need.

Your 30 minute free initial consultation is for the purpose of determining whether or not we can be of assistance to you and whether or not you desire the assistance. **We provide our time and legal advice for a fee. Please understand that we must charge for all legal advice.** Whether you are asked to pay for advice will depend on the nature and complexity of your legal problem. Usually there is no charge for the initial consultation. Exceptions do occur. If your matter is an exception you will be informed in advance of any charge.

YOU WILL NOT BE CHARGED FOR LEGAL ADVICE UNLESS YOU ARE ADVISED IN ADVANCE.

If the attorney is retained beyond this initial meeting, then a formal retainer will be required. I acknowledge that I have read the above and understand that unless I am advised in advance I will not be charged for legal advice during my 30-minute consultation.
