Pledge of Allegiance

1. Continued discussion of the remaining issues with the ordinance revisions. Brent, the engineer from Woodard & Curran, and town Manager Bob Peabody gave further explanations of how it would work. On the issue of how to assign Equivalent Users (EU) we are favoring keeping the schedule as it is in the draft ordinance and leaving the Superintendent with the flexibility to work with any user who comes to him with a difference of opinion.
2. Discussion of informational campaign, content and timing, followed. Brent shared ideas of what his firm could help us with. TM Peabody will follow up with added costs and we will talk more about this at our next meeting.
3. The Select Board will hold a Wastewater Workshop, to be scheduled at their next meeting.
4. WWC will meet next Thursday for a final review and to push a recommendation regarding the ordinance to the BOS. Next meeting will be February 25, at 6 pm.

Adjourn 8:15 pm.
