## 2015-16 School Custodian of the Year Award

4/06/16

Dear Superintendent of Schools,

The **School Custodian** makes a significant impact on the readiness of our schools on a daily basis. His work and attention to detail make our classrooms, offices, hallways and grounds safe, clean and inviting to our students, teachers and staff.

The South Texas Association of School Maintenance Officials ([STASMO](http://www.stasmo.com)) want to recognize the hard work and dedication these individuals exemplify. Nominating one of your **School Custodians** for the **STASMO Custodian of the Year Award** is a unique opportunity to acknowledge a valuable team member whose role is essential to the success of the campus operation.

Each **school district** may submit **one nominee**. The nominee should be a full time custodial employee who has been with the school district at least 9 months and who routinely demonstrates high standards of performance, teamwork, enthusiasm, resourcefulness and dedication.

The **selected nominee** for the award will be invited to the STASMO Summer Conference on **June 23rd** at the South Padre Island Convention Center to join us for lunch and be recognized. He will be presented a **plaque** and a **Gift Certificate**. I would also suggest that the district recognize their nominee locally.

Nominations will be accepted thru **May 15<sup>th</sup>**. Email nominations and attachments to, [stasmo2006@outlook.com](mailto:stasmo2006@outlook.com) or fax to 866.295.5082.

**Daniel G. Cantu**  
President  
956.832.2412
