

ABATE REGION 22 MEETING AGENDA DATE: 6-4-17

Meeting started by Biz who called it to order with the pledge of allegiance and a moment of silence for our troops. No treasurer's report was read. Cari read the secretary's report. Digger motioned to accept it and Biz seconded. Dusty and Abe also made the motion to accept. Motion carried. A diner came in and saluted us! (He) left before we could get his name. We had two visitors from Region 4, Tim and Jan, welcome! Biz talked about the Kalkaska field meet. Cari said she would go if she can get a ride. They will have water and electricity there as well as coffee and a huge bonfire. However, field meet tickets are now full price. Cari brought up her fundraiser idea, again. Suggesting now, though, that we do a hamburger fundraiser instead of a spaghetti fundraiser as it is less disgusting to see people eating hamburgers than it is to see them eating spaghetti. If we are going to do this fundraiser we need to make a motion, vote, set a date, and get to work or it will just be something that gets brought up off and on. Sheila said spaghetti is cheaper. Biz said if we do it it will take a lot of advertising, with the right message, (that proceeds go to the food banks) and we need to do it with the right people such as radio stations-this is not a problem-Cari has met someone who works for a local radio station and she works for the Roscommon County Voice. Abe did the motion to adjourn. Motion carried. Members sat around and got to know Tim and Jan.

Connie and Terry Bruce.
