Miracles Can Happen

"Jesus Christ is the same yesterday and today and forever."

HEBREWS 13: 8 (NIV)

THE BIBLE IS filled with examples of the marvelous things Jesus did for people. Through faith, they were able to achieve great things. Recognize that the same thing can happen to you. Jesus is the same restorer of courage, the transformer of people's souls.

Prayer

Jesus, You are my Savior, Because of You, miracles can happen.

- Please continue to send cards to Wayne and Nell with words of encouragement. He is under hospice care. He remains in good spirit but tires easily. Contact Nell if want to visit. Please plan to limit your visit to not more than an hour.

- Chuck Cathey continues to recuperate from several broken ribs after a motor cycle accident. It's always good to see him at morning worship.

- Sandy Parmer's three friends are positive for Covid-19 virus live in Spanish Fort, AL and she is requesting prayers for Mr. and Mrs. Howard (Betty) Rivers and their son, Rob.

- A friend of Sandy Parmer, David Beck, has had a stroke.

- Darlene Queen's sister, Tonya Woltermothe, has cancer. Her aunt, Mavis Graves fell and broke her hip and hit her head causing a brain bleed (Springfield, Ohio). Her aunt, Mary Jo Dockery went home to Duckworth, TN.

- Jerry Queen continues to improve after his surgery. Glad he able to join us on Sunday during morning worship.

- Chappie Chapman, former church member, was diagnosed with lung cancer. He remains hopeful. Please let him know we are thinking of him.

- Mindy Scaffa shared that she has Chronic Kidney Disease. She is in the beginning of stage 3 so that means her kidneys are functioning between 40- 50 %. She is okay to go out and be around people - she must keep her mask on. That is good because she said cabin fever has started in ...lol. She said she is grateful that her new doctors are fixing the problem."

- Gail Garland is still visiting with her son who is in the Navy stationed in Bahrain. We continue to pray for a safe visit and a safe return to her home in Georgia.

- Manny and Louise Lopez, former members of our congregation, requested prayers for their newborn grandson, Eli Lopez who was born with a hole in his heart.

- Chris and Jill Kirby who have been active with our 3M summer outreaches, both tested positive for COVID-19 along with one of their children in Nashville, TN.

- Mark Sanders (Lee Sander's cousin) to your prayers. He had a heart attack and had to have stints put in.

- Lee Sanders broke his foot Tuesday, December 1st.

- We are all in need of prayers as we manage our daily lives during these uncertain times in America and around the world and personal health issues.

Remember:

Every moment of the year has its own beauty.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. **Please do not forget them when you are out shopping.** If you have items of clothing (clean and in good condition), children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9”X9”. Put them on the table in the pantry and we will fill them as time permits. **Please contact the Thrift Store if you have furniture you want to donate and arrange pickup.**

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

Toys for Tots

We started collecting in October for the 2020 holidays. Cherokee county Toys for Tots

has been blessed with great weather for fundraising, and generous people who live here and pass through here. Last week collection days (Friday and Saturday) \$1340.00 + change was collected. Only 2 weeks left before toys will be distributed.

Application information for families will be posted in the Cherokee Scout newspaper regarding distribution date and time.

You are awesome! Last year we collected 4 bags and with everything that is going on there is even a greater need to help our neighbors. **Lula delivered the last bag of toys from our church for the 2020 campaign December 4th for a total of 6 bags.** If you missed the last pick up for the church, Eller and Owens warehouse last collection is December 12th. The volunteers will need time to sort the gifts by age and gender. **If you wish to continue to donate throughout the year contact the local coordinator for Cherokee County, Barbara Hudson at barbarahudson727@gmail.com for more information or visit the Toys for Tots website.**

No matter the circumstances of this world, every child deserves a little Christmas. Just 20 days until Christmas and then our thoughts turn to welcoming in the new year – 2021. Let us pray that 2021 will be a good year for everyone throughout the world.

Wayne’s Outreach Ministries

If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne has been the only person that some of these men have reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne’s request, Nell will be continuing to correspond with some of these men since they truly have no one else. Let her know if you have any questions.

If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

Directory Updates

Nell Ard is working to keep our directory notebook updated so let Dean know of any changes and he will share the information with her.

Kitchen Repairs

Repairs for water damage in the fellowship room and bathrooms are now completed. Thanks to everyone who helped to finalize the repairs and the painting. Special thanks to Dean and Karen for spearheading this project. Now we need to put the tables back in and pray that we will soon be able to have fellowship meals

Pantry Items

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula will pull items off the shelves and take them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. **NOTE: We give out food only if someone is here when an individual comes to the church or special arrangements have been made to meet someone.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty dozen size egg cartons so they can divide the large crates of eggs

they receive from other organizations and from people who raise chickens.

THINGS YOU CAN DO TO HELP PREVENT THE SPREAD OF VIRUSES AND BACTERIA

- Regularly wash your hands with soap and water for at least 20 seconds
- If soap and water are not available, use hand sanitizer with an alcohol content of 60% or more
- Cover your sneeze or cough with a tissue or elbow to reduce spread of droplets
- Wear a mask when you are out amongst the public or large crowd, it helps to prevent the spread of the virus. Make sure your mask covers your nose and mouth
- If you are not feeling well or having symptoms, e.g. coughing, feeling tired, aching, have a temperature, etc. stay home and if symptoms get worst contact your physician.

Please continue the CDC's guidelines for your health and protection for those around you.

Enjoy the beauty of God's handy work! Invite someone to worship with us. We all need to feel connected – smile! Let us continue to count our blessings and help those less fortunate during these stressful and uncertain times.

We need a little Christmas. Have you put up those Christmas decorations?

*Open your heart at Christmas
And not just for one day
Open your heart at Christmas
Let this beautiful feeling stay.*

*For caring, generosity and love,
we treasure through the year.
Don't wait until Christmas
to share it with those you hold dear.
- S.M. Carne*
