

Oliver

Oliver's Adoption Fee is \$250.

My name is Oliver but I also answer to Ollie, and I am a 10 year old Wirehair Dachshund. I love to play with other playful dogs so I really do not act my age.

Unusual for my breed, I do not bark very much. When I do, I have a very big dog kind of a bark (my foster mom says it doesn't match my size) Only if someone comes in the door, but I quickly stop when asked. I do tend to bark when I see strange dogs on our walks.

I like to follow my person around the house just so you don't leave without me. LOL

My favourite pastime is going for walks. I get very excited when I see my harness!! But I do like to play with squeaky toys too. I walk well on a leash and love to sniff the neighbourhood.

I am crate trained and housetrained. I do not have any anxiety when you leave either (I have a foster brother here with me so I think that helps).

I am up to date on my vaccinations, microchipped and am neutered as well.

If you are looking for a playmate for your fur baby, I may be your man.
