Quotes:

“I cannot say enough positive about the young man. His records as a student are clearly deserving, but the person shines above the writing.” **Rebecca Hinton** - AP Literature Teacher

“Thank you again for your support. I appreciate your choosing me as a recipient for the Anchor Scholarship, and also for the support shown to my father for his service to our nation. It means a lot to be recognized for my life as a military child. Once again, I am incredibly humbled to have been chosen to receive such an esteemed award, and I am immensely grateful for your support. I will not disappoint you.”
