**Weingut Montigny:** A traditional winery, where nature-oriented viticulture and modern cellar technology combine to create wines with great originality. Each vineyard is regarded as an independent personality which is met with love and respect in order to reflect the individuality of our terroir.

**Description:** The variety, Gewürztraminer, calls for the winemaker's extensive skill and is a rarity and specialty. This yellow-gold Auslese seduces nose and palate with its charming rose perfume and exudes complex, exotic aromas.

**Food pairing:** Festive roast goose, elegant terrines, mature cheeses, and delicately fruity desserts (apple, pear, orange, cinnamon).

**Serving temperature:** 8-10 °C (47-50 °F)
