**May 22-23, 2017 (Mon-Tues)**  
**Oct 10-11, 2017 (Tues-Weds)**

Our tour departs from our area approximately 6:15A.M. We will make a breakfast stop in the Erie area, before arriving into Niagara Falls. Prior to our hotel check in, we will make a stop at **The Robert Moses Power Plant, which is one of the largest electric generating facilities in the United States.** The plant is located 4 ½ miles downstream from the falls and transforms the energy of the Niagara River into some of the nation's cleanest and least expensive electricity. **The new observation deck**, perched 350 feet above the Niagara River Gorge, provides a bird's-eye view of the churning waters that carved the world-famous Niagara Falls. Soon after we will check into our hotel for the night. Each person will receive a \$20 meal voucher and \$50 slot bonus. The hotel offers spa amenities along with a hot tub and pool. The Seneca Casino Hotel is located within walking distance of the falls for those who want to get up close to view the magnificent powerful falls. Niagara Parks offers a trolley tour giving an overview of Goat Island with spectacular viewing stops at the **American & Horseshoe Falls.**

Day two we check out and depart the Niagara area, traveling to the Seneca Allegheny Casino hotel located in the Allegheny Mountains of N.Y. You will receive a bonus package (tba) and have time for a meal during our 4 ½ hour stay. Our arrival home will be approximately 9P.M.
