

Vitaly Terushkin, M.D., FAAD, FACMS

terushkinmohs@gmail.com

EDUCATION

- 7/2015 – 6/2016 **Dermatopathology Fellow**, NYU Dermatopathology, New York, NY
- 7/2014 – 6/2015 **Micrographic Surgery and Dermatologic Oncology Fellow**, Zitelli & Brodland Skin Cancer Center, Pittsburgh, PA
- 7/2011 – 6/2014 **Resident**, Ronald O. Perelman Department of Dermatology, NYU School of Medicine, New York, NY
Chief Resident, 2013-2014 Academic Year
- 7/2010 – 6/2011 **Intern**, Internal Medicine, Mount Sinai Medical Center, New York, NY
- 9/2005 – 5/2010 **NYU School of Medicine**, New York, NY
M.D., with Honors in Cell Biology
Alpha Omega Alpha (AOA) Medical Honor Society
- 9/2001 – 5/2005 **Brandeis University**, Waltham, MA
B.S., with Highest Honors in Neuroscience and B.A., Biology
Summa cum laude; Phi Beta Kappa Honor Society

BOARD CERTIFICATION

- 12/2021 **Micrographic Dermatologic Surgery**, American Board of Dermatology
10/2016 **Dermatopathology**, American Board of Dermatology
7/2014 **Dermatology**, American Board of Dermatology

ACADEMIC AFFILIATION

- 11/2016 – Present **Clinical Instructor, Dermatology**, Weill Cornell Medical Center, NY

CURRENT POSITIONS

- 2/2020 – Present **Mohs Surgeon**, Allen Sapadin, M.D., Hackensack, NJ
7/2016 – Present **Mohs Surgeon**, David Becker, M.D., P.C., New York, NY
7/2015 – Present **Mohs Surgeon**, Dermatology and Skin Cancer Center, Red Bank, NJ
7/2015 – Present **Mohs Surgeon**, Margaret Ravits, M.D. and Associates, Hackensack, NJ

LICENSURE

- 1/2015 New Jersey Medical License
3/2014 Pennsylvania Medical License
3/2013 New York Medical License

HONORS & AWARDS

- 2021 – 2022 Castle Connolly Top Doctor, New York Metro Area
- 2018 – 2022 New York Super Doctors
- 2014 George Lipkin, M.D., prize for “the resident who is an excellent clinician with scholarly interests and research productivity”; received at the NYU Department of Dermatology residency graduation ceremony
- 2014 1st place at the Annual Stritzler Resident Competition at the Dermatologic Society of Greater New York
- 2010 Marion B. Sulzberger Award, for Excellence in Dermatology; received at NYU School of Medicine upon graduation
- 2010 Jack and Diana Nelson Award, for excellence in scholarship and professionalism; received at NYU School of Medicine upon graduation

LECTURES

Terushkin V (2021, May) *Mohs surgery as monotherapy for the treatment of early stage Merkel Cell Carcinoma*. Presentation at the 53rd Annual Meeting of the American College of Mohs Surgery.

Terushkin V (2021, May) *Board Review Preparation: Special stains*. Presentation at the 53rd Annual Meeting of the American College of Mohs Surgery.

Terushkin V (2021, February) *Mohs Surgery for Melanoma*. Presentation for the dermatology residents at the Weill Medical College of Cornell University, New York, NY.

Terushkin V (2018, April) *Diagnostic Quality Control Session*. Presentation at the 50th Annual Meeting of the American College of Mohs Surgery, Chicago, IL.

Terushkin V (2018, March) *Mohs Surgery for Melanoma*. Presentation at the Dermatological Society of Greater New York (DSGNY), New York, NY.

Terushkin V (2017, April) *Diagnostic Quality Control Session*. Presentation at the 49th Annual Meeting of the American College of Mohs Surgery, San Francisco, CA.

Terushkin V (2017, April) *Mohs Surgery for Melanoma*. Presentation at the Dermatological Society of New Jersey Annual meeting; Barrington, NJ.

Terushkin V (2016, April). *Prospective study of 2-mm margins for the biopsy of dysplastic nevi (DN): An updated analysis*. Oral Presentation presented at the Tuesday Night Conference, Ronald O. Perelman Department of Dermatology, NYU School of Medicine; New York, NY.

Terushkin V (2015, October). *Inverted Panfolliculoma: A report of 5 cases*. Presentation at the American Society of Dermatopathology, San Francisco, CA.

Terushkin V (2014, April) *The effect of general anesthesia on neurodevelopmental abnormalities in children undergoing treatment of vascular anomalies with laser surgery: a retrospective review*. Presentation at the American Society of Lasers in Medicine and Surgery, Phoenix, AZ.

Terushkin V (2012, October) *Smoking and the skin*. Oral Presentation presented at the Tuesday Night Conference, Ronald O. Perelman Department of Dermatology, NYU School of Medicine; New York, NY.

Terushkin V (2011, December) *Changes observed in slow growing melanoma during long-term dermoscopic monitoring*. Oral Presentation presented at the Tuesday Night Conference, Ronald O. Perelman Department of Dermatology, NYU School of Medicine; New York, NY.

Terushkin V. (2009, March). *Death of a nevus*. Presentation at the Annual Meeting of the International Dermoscopy Society at the 67th Annual Meeting of the American Academy of Dermatology; San Francisco, CA.

POSTER PRESENTATIONS

Terushkin V, Gilbert E, Eundamrong J, Lebow A, Brancaccio R, Kamino H. (2012, October). *Kaposi sarcoma resembling dermatofibroma – A report of two cases*. Poster presented at the American Society of Dermatopathology; Chicago, IL.

Terushkin V, Oliveria SA, Halpern AC, Marghoob AA. (2009, November). *Dermoscopy training and utilization among U.S. dermatology chief residents: progress over 10 years*. Poster presented at the 2nd Congress of the International Dermoscopy Society; Barcelona, Spain.

Terushkin V, Oliveria SA, Marghoob AA, Halpern AC. (2009, May). *Use of and beliefs about total body photography and dermoscopy among U.S. dermatology residency programs: An update*. Poster presented at the Joint meeting of the 7th World Congress on Melanoma & 5th Congress of the European Association of Dermato-Oncology (EADO); Vienna, Austria.

Terushkin V, Warycha M, Levy M, Kopf A, Cohen DE, Polsky D. (2009, May). *The impact of dermoscopy on the biopsy rate of pigmented lesions by a general dermatologist*. Poster presented at the Joint meeting of the 7th World Congress on Melanoma & 5th Congress of the European Association of Dermato-Oncology (EADO); Vienna, Austria.

Terushkin V, Ferrari G, Wolf M, Pintucci G, Mignatti P. (2009, April). *The dual role of p38MAPK in transforming growth factor-beta1 (TGF- β 1) induction of angiogenesis*. Poster presented at the 1st Annual NYU School of Medicine Sackler Institute Research Day; New York, NY.

Terushkin V, Braga JC, Dusza SW, Scope A, Busam K, Marghoob AA, Halpern AC. (2009, March). *Agreement on the diagnosis and management of squamous keratinocytic neoplasms*. Poster presented at the 6th International Symposium on Melanoma and Other Cutaneous Malignancies; New York, NY.

Kahana MJ, Sederberg PB, Gauthier LV, **Terushkin V**, Miller JF. (2005, November). *Distinct patterns of oscillations at encoding predict recall for early versus late serial positions*. Poster presented at the 35th Annual Meeting of the Society for Neuroscience; Washington, DC.

Kahana MJ, Sederberg PB, Gauthier LV, **Terushkin V**, Miller JF. (2005, April). *ERP and oscillatory correlates of successful encoding*. Poster presented at the 12th Annual Cognitive Neuroscience Society Meeting; New York, NY.

UNIQUE SKILLS

Language Fluent in Russian; basic knowledge of Spanish
