

2. Ping Pong table: We thought Michael had found one and was ready to order it, but he found out it costs another hundreds of dollars to have it shipped to Hawaii. If anyone finds a good deal on a ping-pong table, please let Michael know. (we also await a shuffle-board table).
3. There are several newcomers who still have no name plaques on their doors. This is important to the Welcoming Committee and the Council to know where to deliver information and our Minutes.
4. Dolphins: The two dolphin statues have been promised to be placed among the front entrance Water feature (Makai) as an additional attraction when people enter our property.
5. MPR: Needs new battery for the clock. Drapery cords need repair.
6. Communication problem: The Veteran's Day(s) programs were not well presented. Why didn't the special meal take place on the same day as the services? Why weren't the cottages made aware of any of these occurrence
7. Kudos to the employees who, on that day in October when the cook quit on the spot at breakfast, took up the challenge and presented us residents with breakfast, prepared and served by them. That's management at its best.

On that upbeat note, the meeting was adjourned.

**NOVEMBER 30 IS THE DEADLINE FOR YOU TO SHOW YOUR APPRECIATION TO OUR HARD-WORKING EMPLOYEES. YOU CANNOT TIP THEM (BY RULES), BUT YOU CAN SEND A GENEROUS CHECK TO THE **EMPLOYEE APPRECIATION FUND**. AS YOUR PERSONAL THANKS. THEY WILL RECEIVE A NICE CHRISTMAS PRESENT, MUCH LOOKED-FORWARD TO BY THEM EACH YEAR. THEY DO NOT GET A CHRISTMAS BONUS FROM HOLIDAY, SO THIS IS ESPECIALLY WELCOMED.**

**OUR SUGGESTION: A MINIMUM OF \$1 PER DAY FOR THE DAYS THIS YEAR YOU HAVE ENJOYED THEIR SERVICES.**
