**URGENT NEED!**

Your help is needed with our Martha Ministry. This group is there to help at probably our most vulnerable moment, when we have lost a loved one. We have the desire to share our stories, our sympathy and our friendship. The Martha Ministry helps provide a time for this to happen. Members prepare the room, make food, serve the luncheon and clean up. **HELP! There is a spot for you!**

Perhaps you want to help on the day of the reception with set up, serving and/or clean up. Or, perhaps you simply want to drop off some food. Many hands make light work. To join us, please contact Susan in the Parish Office: 243-3463.

**CAMP PENDOLA**

**IN HONOR OF CATHOLIC SCHOOLS WEEK**

A quote from the family of a St. Joseph graduate.

*"Most importantly, Mary learned how to treat others with love and kindness and that to work hard to help others was a blessing for her too. She learned to be honest and fair and to care about others. She learned to watch out for the younger students and help them if they were in trouble or needed anything. She learned that winning wasn't the most important thing, but that you should always try your best no matter what you were doing. She learned to treat adults and her peers, with respect. Mary was shown examples of integrity, hard work and kindness, by all the staff at St. Joseph. The fundamental lesson she learned at St. Joseph, that she could not have been taught in any public school, was the value and strength of prayer, and that God's standards are the only ones that really matter. Learning to trust in God and to turn to him in times of trouble, need, sorrow or confusion is an incredible life lesson that so many children are missing today, but all of the students at St. Joseph are lucky enough to hear and see it in action every day. For this we are so grateful and would like to give a heartfelt THANK YOU to all of our St. Joseph School Community."*
