

Volunteers Commitment

Board of Directors: Attend the quarterly Board Meetings (4 per year) which are held in the evening. We sometimes add an additional meeting in the year if there is a significant development; but always a 2 week notice. There is about 1-2 hours per week commitment with assigned tasks; which may include sending emails, making a phone call or working on a project. This is a one year term and there is an application and voting process by the current Board of Directors.

Community Programs: Volunteering throughout the year at our various events. Being involved in the planning of Community Events and carrying out the tasks needed for success. On average 1-2 hours per week. This committee will have a chairperson to manage the oversight.

Family Programs: This committee plans and manages the Support Groups, Workshops and Parent Advisory Council and a Chairperson will be appointed for each. Volunteers will be needed at each event. Time commitment is 1-2 hours per week and the monthly meeting/event that you want to be involved with. Tasks include emailing, securing location for event and collaboration with guest speakers and other organizations.

Youth Programs: Volunteering and planning all youth events; including Summer Camp. We are looking to increase our youth programs! Time Commitment 1-2 hours per week and increased time around event or summer camp. There will be Chairperson's appointed for each event.

Marketing and Fundraising: Looking for individuals that can help promote our programs and connect us with local business connections to increase our fundraising. If you love social media and sharing our mission-this is for you! Time commitment is about 5-10 minutes per day on Social Media and 1 hour a week making community connections.
