

Meet Mark McGoldrick

Keynote at the Christian Auto Conference

Mark and Debbie have been on staff with CCC for over 30 years each. Mark grew up in the south and became involved with CCC at Univ. of GA. It was there that God gave him the vision of doing a win, build, send ministry to High School students. Mark then met Debbie and they were married in 1980. They were able to restart Student Venture in Atlanta in 1985.

In 1989 Deb began a neighborhood ministry that blossomed to other neighborhoods until over 100 plus neighborhoods have started Bible Studies as a result of Deb's mentoring. Mark and Debbie are now on staff with Cru City and reside in North Atlanta. Their goal is to see movements of multiplying disciples across Atlanta and the world.
