

Renegade Miniature Aussies

Upcoming Litter Deposit Contract

Part I- How puppies are "picked"

Pick puppies are chosen first by us at Renegade (if necessary for our program) and then in the order of deposits received on that particular litter. While it is not required to place a deposit to be *notified* of the litter's arrival, a deposit will secure your chances of getting the puppy you want from your chosen litter. Please give us a call or reach out to us online to ask any questions you may have and to give us a chance to meet you and ask our questions. We want to be sure that our babies are a great fit for your family, and visa versa. (This is also the only way to get our mailing address to send the deposit.) Let us know what color/gender/specifics you are wanting to reserve when you drop the contract/deposit in the mail. The signed contract and deposit must be received within seven (7) days for us to continue to hold your pick. If the deposit is not received within 7 days, the pick will move to the next person waiting for that puppy and you can make your new pick when the deposit arrives from the puppies that are available at that time.

Part II- Your pick

When the puppies are born, we will text you photos of the puppies that are available for your selection or if you'd prefer, you can wait to receive the email with their photos at one day old. If you are undecided between multiple puppies, let us know your top two and we will hold them both until you decide. We will send you updated pictures every other week, or sooner if available, as well as updates on their personalities to help you make your choice. Picks must be made by the time puppies are five weeks old when final payment and shipping arrangements will be discussed. At the time of your selection you will need to fill out our puppy contract with the specifics of YOUR puppy!

Part III- The deposit

Deposits are \$250 unless otherwise stated and can be sent check/money order with the contract or you can send it through PayPal if you add the \$10 in fees they will charge for the service. (Send \$260 for the \$250 to arrive to us through PayPal. Only \$250 will be credited to your total purchase.) Deposits are NON REFUNDABLE but are fully TRANSFERRABLE for one whole year! We understand that life happens and things come up, so if your puppy isn't in the litter you had hoped for or your family is going through some things and the timing could be better, no worries! We will contact you FIRST for EVERY litter for the next YEAR that has a puppy meeting your request until your dream puppy is found! NOTE* the deposit does not lock in the price of your original puppy. You can't put down a deposit on a \$400 tri male pet and expect to get a show quality, blue eyed, blue merle female for \$400. The deposit will be applied to the listed price of whichever puppy you choose to put it on. $\$400 - \$250 = \$150$ $\$1500 - \$250 = \$1250$

Part IV- Final payment and getting your puppy!

Final payment for your puppy is due two weeks before the puppy is scheduled to be shipped home or delivered. This allows time for checks to clear, vet appointments to be set, and flights to be booked. If you are picking your puppy up in person you may make the final payment when you visit our home, but for obvious reasons please bring the balance in cash. If you forget, we will direct you to a local ATM where it can be withdrawn. (Unless you use our bank, it is possible they will charge a fee of up to \$2 for the withdrawal from a different bank.) Puppies are expected to be picked up by 9 weeks of age unless otherwise discussed. After 9 weeks old, a weekly boarding fee will be added to the balance.
