To our Sponsor:

In our 4th year Fargo Defender Dash is still passionate about giving back to our nation's armed forces – the few who fight to protect the freedom of this great country. Often times many of these inspiring individuals come home with wounds you can and sometimes can't see like combat stress and depression. Because they've risked everything for us, we're committed to raising awareness and funds for these wounded service members and their families.

The Fargo Defender Dash is committed this year to raise funds and awareness for the Brady Oberg Legacy Foundation and K9S for Warriors. Our event is a 5K, 8K Run/Walk and Kids Fun Run that will be held Oct 6th 2018 at Lindenwood Park here in Fargo ND. We would like you to be a part of this exciting venture and would be grateful of the support of your great company.

The Brady Oberg Legacy Foundation and K9S for Warriors are a nonprofit organization whose mission is to honor and empower our brave Warriors. These great organizations are structured to engage warriors, nurture their minds and bodies, and encourage their economic empowerment. Warrior families and caregivers are provided comfort, care, and education to help support the recovery of their injured warrior.

The Brady Oberg Legacy Foundation and K9S for Warriors empowers warriors with the tools essential to not just survive their injuries but to thrive and achieve personal and professional success. These organized events are committed to the Brady Oberg Legacy Foundation, K9S for Warriors, and the wounded service members they proudly serve. With the help of individuals coming together in our communities, they can strive to fulfill their vision of fostering the most successful well-adjusted generation of wounded service members in our nation's history.

Thank you for supporting Fargo Defender Dash, the Brady Oberg Legacy Foundation, and K9S for Warriors to support their mission to honor and empower Wounded Warriors. Your generosity helps fuel programs, which positively change and save lives!
