### **Cyndi Merritt – USEF “R”**

Cyndi Merritt has been training horses just about all of her adult years. She started her career in Rolling Hills Pony Club and was very fortunate to have Hilda Gurney as her instructor. During the years she belonged to Pony Club she competed at the "D", "C" and "B" levels, locally as well as nationally. Competing was what really stole her heart and off she went to find a capable and local hunter/jumper trainer. She had noticed Rob Gage, just out of his junior years, working with his young horses in the local ring and asked him if he would like to teach her. She was his first student and their relationship as student/trainer went on through many successful years. She was able to ride and compete on many different horses as a junior on the A circuit. She qualified for the Foxfield Medal on a borrowed horse in 1974 then proceeded to win the finals that same year on a different borrowed horse. She figured it was now time to turn professional at the age of eighteen and went to work for Rob as his assistant. In the years to follow, Cyndi went to work for Judy Martin at Seahorse Riding Club. She spent six years as her assistant, soaking up every ounce of knowledge she could from Judy. During those years she helped qualify riders to compete in and win in local as well as national finals, she prepared Grand Prix horses for Rob Gage and Hap Hansen to show nationally and internationally, and she

increased her riding and teaching skills. In 1985, Rob and she decided to start a training business of their own, G&G Farms. During the eight years of its existence at the Los Angeles Equestrian Center in Burbank, they managed 65 horses, had many medal (LAHSA, CPHA, USEF and ASPCA) finals winners, and national jumper competitors. In 1992, Cyndi felt it was time to venture out on her own and started Baycrest Farms where again she coached many medal finalists and rode many hunters to year-end championships. In 2012, she had an opportunity to sell her business to her assistant in hopes of spending time pursuing her judge's card. Cyndi received her "r" in HU/JSE in 2014 and her "R" rating in 2017. She found that being an independent coach and rider for three local barns kept her busy. Now with her recent move to Texas she is judging and riding her cutting horse as much as possible.

Clinic Opportunities are available with Cyndi Merritt. Please inquire with Jennifer Littenberg at 808-351-5723 and at the secretary booth on the day of the show. Spaces are limited.

Private and group lessons are available for \$85/45 minutes.

Koko Crater Stables was reopened in November of 2016, the result of a monumental effort put forth by volunteers, who rescued the facility from the brink of ruin. Today it is a vibrant, active athletic facility that benefits youth, adults and one of Hawaii's iconic cultural partners: the horse. For information, call [808-927-6629](tel:808-927-6629)
