

SENATOR ANGUS KING'S "YOUR GOVERNMENT, YOUR NEIGHBORHOOD"

HOW CAN WE HELP YOU?

Helping ensure that federal government agencies are responsive to Mainer's needs is one of Senator King's most important responsibilities as your United States Senator. Senator King's staff is ready to listen and work on your behalf to help resolve issues you may have experienced with federal agencies. Acting as a liaison between you and the federal government, Senator King's office can often help you answer questions, find resources, or resolve problems.

To assist you, Constituent Services Representatives are available at our 4 offices in Augusta, Bangor, Presque Isle and Scarborough or scheduled hours at a location near you! Outreach hours offer an opportunity for area residents to meet directly with a staff representative to discuss specific legislative issues or concerns regarding federal government agencies. No appointment is necessary.
