For the first time at CATC, there will be a Blessing of Dogs by ordained Minister Bill Griffin. Bill Griffin and his wife, Sandi have been long-term members of CATC in obedience and agility. Dore', their therapy dog, joins them at the Christian Counseling Center in Pickerington where they have a professional counseling service.

History of the Blessing of the Animals:

Throughout the world, to commemorate the Feast Day of St. Francis of Assisi, services of Blessing of the Animals are a tradition in early October. Bill Griffin is so happy to be able to offer a Blessing of the Dogs at CATC this year! Join us as we honor God and the gift of our relationship with our beloved dogs.
